Friday 1 st November 9am	FOL AGM meeting	Dining Hall
Saturday 30 th November 3-6pm	Winter Fair	School
Friday 6 th December 9am	FOL meeting	Dining Hall

FOL meeting minutes

Please see attached the minutes from last week's FOL meeting. We're in need of lots of parent support already: the sharing of recipes for the Lyndhurst Cookbook; writing proposals to access local grants; with gardening around school; making cushion covers for the reading spaces, and so much more. Please do take a read and get in touch. Thank you!

FOL meeting day survey

As mentioned in last week's newsletter we know that not everyone can make a Friday morning meeting. To get a sense parent availability for meetings, we've set up a doodle poll to gather your responses and would appreciate it if you could take a minute to fill it out (there's only one question!)

<https://doodle.com/poll/b54zt7ikhw7dpxwi>

Lyndhurst gardening club needs your generosity!

Hyacinth bulbs are being planted to sell on the Made in Lyndhurst stall at the Winter Fair. To supplement the bulbs being purchased, donations of spare bulbs (they often come in big packs with many leftover) and/or terracotta pots would be gratefully received by Mrs Jarman. Donations can be dropped off in the School office.

Gardening club is always in need of compost and will be making their own this year. If you could help by either donating compost or helping to collect manure from local stables, Mrs Jarman would love to hear from you.

Reminder: Class Reps

Thanks to those of you who have already come forward to be a class rep – yet we're still in need of more. Could it be you? Reps are responsible for collating parent/carer contact details to help facilitate communications from us and between yourselves, possibly organise a couple of social activities during the year for your class/year and oversee the fair tasks allocated to your class for the school fairs. If you are interested please get in touch at Lyndhurst.pta@gmail.com

Shout out from the Green Group

London's First Car Free Day - Sunday 22nd September

A reminder to everyone that this Sunday some central London streets - around London and Tower Bridge - will be closed to traffic and parks and playgrounds will take their place. There are loads of events on taking advantage of car free streets. Check it all out via the link below:

<https://www.london.gov.uk/events/2019-09-22/reimagine-your-city-car-free>
