Welcome coffee morning - Friday 4th October 9-10am

Please do come along to the Dining Hall after drop off next Friday for tea and coffee, to meet other parents and find out more about Friends of Lyndhurst. We'll be chatting about what FOL does and asking for your input and ideas about what you would like us to be doing this year. Both those new and old to Lyndhurst are welcome and pre-school siblings.

Winter Fair

Fair planning is about to get underway so please do get in touch if you'd like to be on the organising committee, have a great idea for a stall or activity, could help with sending out emails to rustle up raffle prizes or would like to play a part but don't yet know how! We couldn't put on an event of this size without lots of help and support so are looking forward to hearing from many of you. Huge thanks in advance.

Reminder: Lyndhurst gardening club needs your help!

Hyacinth bulbs and terracotta pots are in high demand by gardening club. Any donations will be gratefully received by Mrs Jarman and can be dropped off in the school office.

In addition, gardening club is always in need of compost and will be making their own this year. If you could help by either donating compost or helping to collect manure from local stables, Mrs Jarman would love to hear from you.

Reminder: Class Reps

It's still not too late to volunteer as Class Rep. Drop us an email or come along to next Friday's meeting if you are interested or would like to find out more about being a rep Lyndhurst.pta@gmail.com
